Dear Sir/Madam,

RE: Request to Have Bulk SMS Alphanumeric ID Set Up As Transactional

We the undersigned duly authorize Talksasa Home Of Creatives to change our alphanumeric ID **BEAMSMS** with the Mobile Network Operator Safaricom and set it up as Transactional ID, this is for the purposes of sending notifications and OTPs.

Sample1

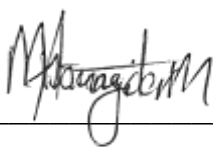

Your one-time password (OTP) is **123456**. It is valid for 5 minutes. Kindly do not share this code with anyone.

Sample2

Great news! Your order **#12345** has been dispatched and is on its way. Expect delivery by 01/02/26 Track your rider here: [Link]

Yours sincerely
